Your baby is learning words. Keep reading together to help them along.

-
- Help your child build language by singing, rhyming and talking every day
 - At this age your baby will start to have favourite books

Try It...

- Visit your local library and let your child choose a book.
- Use different voices when reading to your child.
- Let your baby touch and turn the pages
- Reading isn't always for bedtime, try reading during bathtime!
