

18 Months

Read to your child everyday and soon they will read to you!

- Scribbles are the first step in your child becoming a writer.
- Playing “make believe” with your child helps them develop their language.

Try It...

- Make reading even more exciting by asking special family members and friends to read a book with your child.
- Encourage your child to tell you about their drawings.
- Open a book and make up a story using just the pictures. Include your child’s friend or favourite characters.
