

Prenatal and Newborn

The earlier you start, the better the skills they will build..

- Even newborns benefit from reading
- Reading has a calming effect on the baby
- Reading helps develop your baby's brain
- Reading strengthens the parent/child bond

Try It...

- While you are feeding your baby, use the time to read to your other children
- Your baby loves to hear your voice. Use their name and a gentle tone-before and after birth
