

BUILDING VIBRANT YOUTH

Summer Michel

Pelican Narrows
Northern Youth
Role Model

What are you passionate about?
I love to sing and perform music. Music has helped me through hard times and I have tried to share that with other people.

How have you been a role model to the youth in your community?
I was the Junior Chief of Pelican Narrows and worked with the Junior Council to plan meetings and events. We worked to help give youth opportunities to see things outside of the community that they might not normally have a chance to see.
